About X Note Plus

We are a group of students of University of North Carolina at Charlotte. This website is designed for our senior capstone class. As a group we decided to make a website where students from around the world could use it to upload notes, share notes, and compare notes. This website provides student's opportunities to look up similar notes, get study guide and see other people's ratings.

Create an account

For uploading and comparing purposes this website uses user account info to keep track of every notes and class study guide. In order to use this website please register as shown below.

Registration Form

Username	Choose a username
Email	Enter your Email
Password	Create a password
Password	Retype password
Full Name	Enter your full name
University	University you attend
<input type="button" value="Register"/>	

- ❖ All of the fields are required in the registration form. You should get an email after registration.

Upload

My Account

My account page where the user will find most of the important information. My account page include My Files, Profile, and Studyguide.

My Files

This page shows all the files of the current user. This is the first and the default tab for My Account page. It displays File name and Notes Title. The user has the option to View, Download, Delete, and View similar files by clicking one of the action buttons.

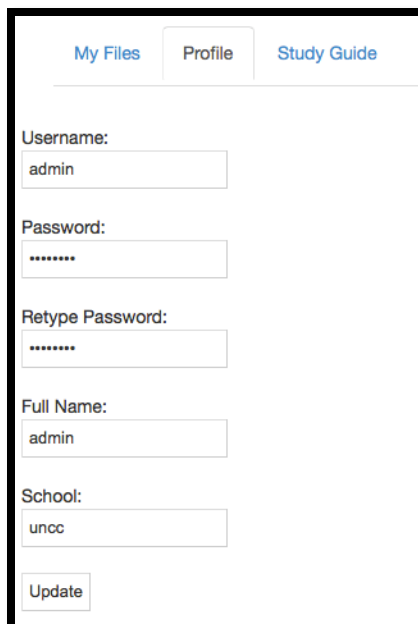

➤ Action Buttons

- 
 - This button will allow the user to view their file
- 
 - This button allows the user to download their file as a pdf
- 
 - This button lets the user delete their file
- 
 - This button allows the user to see files that are similar to their file

My Profile

Click on Profile tab to go to Profile Tab.

The profile page display the all the information about a user such as user name, full name, School etc. if a user chooses to update information simply enter new information in profile form.

The screenshot shows the 'My Profile' tab selected in a navigation bar with 'My Files' and 'Study Guide'. The profile form contains the following fields and values:

Field	Value
Username:	admin
Password:	*****
Retype Password:	*****
Full Name:	admin
School:	uncc
Update	[Button]

Study guide

- Allows user to view study guides for classes that they have uploaded notes for
- Action buttons

○

- This button will allow the user to view the study guide

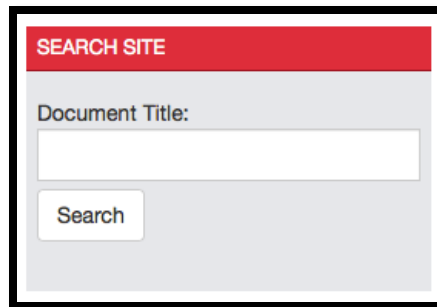

○

- This button allows the user to download the study guide as a pdf

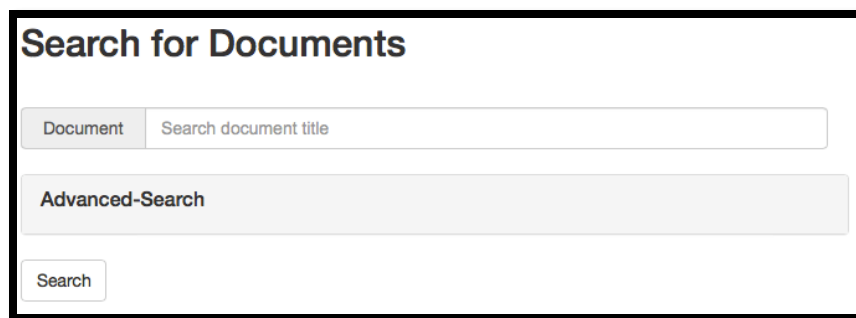

Search

- Using the side bar simply enter the title of the document you are looking for

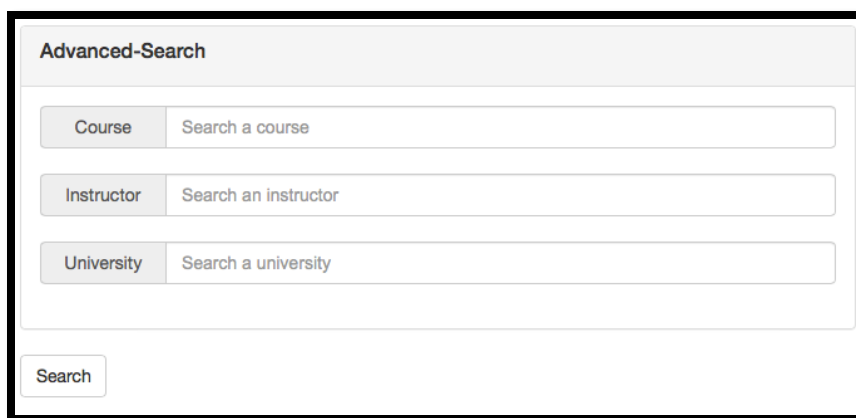

A search form titled "SEARCH SITE" in a red header. Below the header, the text "Document Title:" is followed by a text input field. A "Search" button is located below the input field.

- Select the "Search" link on the main menu
 - Enter the document Title in the field shown below
 - Select Search to see results

A search form titled "Search for Documents". It features a "Document" tab and a text input field with the placeholder "Search document title". Below this is an "Advanced-Search" section, which is currently collapsed. A "Search" button is located at the bottom left of the form.

- To find a wider range of documents, select the Advance search button
- You must enter at least one field
- Then select search to see results

An "Advanced-Search" form with a light gray header. It contains three search fields, each with a tab and a text input field: "Course" with "Search a course", "Instructor" with "Search an instructor", and "University" with "Search a university". A "Search" button is located at the bottom left of the form.

Rating System
